

26th June 2023

Dear Parents and Carers,

Year 6 Final Month!

As we enter into the final few weeks with Year 6, I wanted to just clarify with you events that are specific to Year 6.

3rd July- Transition Day- for all children moving to Ringwood Academy- children should go there directly and not come to Poulner. For those children attending a different secondary school, if their transition day is not on 3rd July then they should come into school with us as normal.

4th July- Costumes for the production need to be in school.

11th & 12th July- Year 6 Summer Production (times are normally from 6-8pm) the exact times will be clarified nearer the time and you will be invited to request tickets. We do not charge, but there will be a donation bucket at the end of the performance.

12th & 19th July- Year 6 Outdoor Learning Walks as part of their New Forest geography project (Picasso class-12th, Kidston class- 19th July)

17th – 19th July Bikeability, children to remember to bring in their bikes and helmets for all three days

19th July- 6-8pm Leavers Party on the field

21st July- 10.50am Final Leavers Assembly to parents & then you are welcome to stay and bring a picnic

21st July- 1.30pm End of school and final wave off from the school.

Mrs Cason will also be in touch next week to let you know when each class will be holding their Car wash fundraising event!

Yours sincerely

Mrs Jo Randall

Headteacher
