Dear Parents & Carers

Swimming Lessons – Year 5

I am pleased to say that we have been able to secure further advanced swim training for several members of our team, this is above the statutory requirements, but we feel that proving high quality tuition is important. In order for this training to run I do now need to move Year 5's swimming day, so that I can ensure access to the pool on the training days. So my apologies for the change, so just to confirm that for Year 5 their swimming day will now be **Wednesday morning starting 4th May. They will need to be in PE kit Wednesdays and Thursdays for the summer term.**

We are still looking for additional support on poolside and supporting the children with hats being fitted! If you are available to help on any of the sessions and are DBS checked, or happy to be DBS checked then please let the office know, we would love your help!

Yours sincerely

Mrs Jo Walker
