

3 September 2021

Dear Parents/Carers,

NEW DATE: FRIDAY 10TH SEPTEMBER

Eco club – Non uniform day – £1 donation

As part of our work to reduce, reuse and recycle and as we start to update our children's uniform to the new colours and logo, The Poulner School's along with the Okoth family are organising a collection of both the old Infant and Junior school uniform and school shoes to send to orphans in Kenya.

As you may know, the infant school have been collecting old school shoes for the past couple of years and we're excited to be joining the infant school and support links with the Orphanage in Kisumu, Kenya. The children there would really appreciate our donated school uniforms and school shoes.

Here is how it'll work:

Non uniform day- **FRIDAY 10th SEPTEMBER 2021**

In return for a £1 donation, your child can wear their own clothes to school. It would be wonderful if they could wear something **BLACK, RED or GREEN**, the colours of the Kenyan flag! Please bring in any unwanted old school uniform and school shoes to our collection point at the front of the school at morning drop off. Please ensure they are fully laundered and in good condition.

Cake Sale

Our non-uniform day fundraiser will contribute towards the cost of shipping, although sadly won't fully cover the cost, so if there are any parents or local businesses who would like to support our schools and the Orphanage in Kenya, please get in touch with us. We are also going to be running a cake sale on this day to raise further funds to support the shipping cost, these will be on sale during breaktime for the children and after school for any that are left! If you are able to support this by making or buying some cakes for us to sell and by giving your child some additional money for a cake then that would be great. Please just ensure that cakes are nut free and cake containers that you want returned are labelled!

Thank you for your support!
