26th February 2021

Dear Parents,

## **Expected attendance from 8<sup>th</sup> March 2021**

Following the Government guidance issued on Monday 22<sup>nd</sup> February 2021, I am writing to all parents to just reiterate some of the key messages and expectations that have been clarified within the documentation.

Attendance:

Attendance from 8<sup>th</sup> March will be mandatory, unless your child falls into the category of 'Clinically extremely vulnerable'. Any child who falls into this category will have been sent formal documentation to confirm this status. A copy of this documentation will need to be shared with the school so that we can confirm that this is the case and look to work with the family to ensure a package of suitable remote learning continues.

From 8<sup>th</sup> March all other children are expected to be in school and the Government will be reintroducing the previous regulations and expectations linked to absence and the issuing of Penalty Fines.

If you are feeling unsure about your child's return to school then please contact us during next week so that we can support and reassure you about the safety measures and precautions that will be in place. We can also offer additional pastoral support to your child if they are anxious about their return to school.

Yours sincerely

Jo Walker
