Mrs Jo Walker BScQts(Hons)

1st December 2020

Dear Parents,

Remote Learning for Year 6

I wanted to thank you all for your understanding and support in these challenging times. Yesterday the team worked incredibly hard to ensure that all children were able to access the online provision and to set into place the school's emergency plan, which is prepared work that we had ready in case of such events.

From today, live lessons will be taking place and I can confirm the following timetable for you all:

10-10.45am- live maths lesson on zoom
11.00am-12.00pm- live English lesson on zoom
12.00pm-12.30pm- live Guided reading lesson on zoom

At the end of the guided reading session the teacher will run through the topic/afternoon learning that the children will be able to do independently. The teachers will continue to be online via Google Classroom throughout the rest of the afternoon.

Registers will be taken each day as it is expected that all children access this learning each day. A key part of yesterday was to confirm that all children had the resources to meet this requirement.

Please note that during the morning live sessions the teacher may well ask the children to complete some learning independently and then come back on line 15 minutes later to discuss and then input further. Whilst this is happening the teacher may keep a different group of children online to give a specific input that is right for them.

I have also attached the school's Blended Learning Policy which has recently been approved by the Governing Body.

Please keep in touch and let us know if you need any further support.

Yours sincerely

Mrs J Walker
Headteacher
