Headteacher:
Mrs Jo Walker BScQts(Hons)

Dear Parent/Guardian,

22nd September 2020

Welcome back! This year we will be following the Covid-19 guidance from the Association of Physical Education as regards to PE. We will still be delivering the full 2 hours of PE weekly, one session from BRS and one from the class teacher. This term the activities will be as follows:

Year 3 - Netball and football

Year 4 - Netball/basketball and rugby

Year 5 - Tennis, netball and rugby

Year 6 - Benchball/dodgeball, football and netball

Later in the year, years 5 and 6 will be learning hockey, therefore you may wish to provide your child with a gum shield and shin pads. All children are welcome to bring in shin pads for football and gum shields for rugby. These items are optional but are recommended for these sports.

As we are unable to participate in the New Forest Sports competitions in the Autumn term, we will be entering their virtual competitions and sending our results in before October half-term. This term we will be entering cross country, athletics and football. This will involve the children completing a number of activities and the results will be forwarded to the New Forest Sports Partnership. Please encourage your child/children to keep active and visit our school website for our virtual sport activities in case they want to practise!

Please ensure the children arrive at school with trainers or plimsolls (but preferably keep a pair in school). Their PE kit should be in school every day.

Many thanks

Mrs Mettrick (PE Leader)
