July 2019

Dear Parents and Carers,

Welcome to 'Times Table Rock Stars'. We are introducing a fantastic online way to develop knowledge of times tables and division facts for all pupils.

Times tables are recognised as an essential skill to access many mathematical concepts. As of June 2020, Year 4 children's knowledge will be assessed by a National Multiplication check and when it comes to times tables, speed AND accuracy are important - the more facts your child remembers, the easier it is for them to access more complex mathematical skills.

Times Table Rock Stars is a fun and challenging programme designed to help pupils master the times tables! Your child's teacher has introduced them to how Times Tables Rock Stars works and the appropriate times tables to practice on a weekly basis will be allocated.

This programme can be accessed online via the web address: www.ttrockstars.com/login.

You can also download an App for the Iphone/Ipad or Android App through which your child may practice.

Your child has their own login and password which they have already been given and they should have already logged in to TTRS and chose their own rock star name and designed their own avatar before starting to practise.

It is recommended that that your child does a little bit of times table practice every night. Short bursts of practise on a daily basis are more effective than spending hours once a week. There will also be dedicated time in school for them to practise and become a 'Rock legend'!

There will be more details to follow during the new school year regarding a rock star launch day so watch this space and get those rock star outfits ready!

Thank you for your continued support and I am sure that we will have a world famous Poulner Junior school band of Times Table Rock Stars!

Kind regards,

Miss Grace Shrubsole
