PTA Newsletter Summer Term 2018

Firstly, I would like to say a **HUGE** thank you to all parents, carers and children for getting stuck in with the varied events we have run in the Spring Term! It has been a busy one.....

It all started in January with the **Quiz and Chips** event – 10 teams thoroughly enjoyed the challenging and enjoyable quiz written and delivered by Mrs Charter & Mrs May. Chips were delivered by Poulner Fish & Chips, and the winning team won by 1 point! We hope to bring this event back in the Autumn term.

The children had so much fun at Movie Night watching Night at the Museum 3 – and the tuck shop will definitely need to have more sweets and fizzy cans for sale next time! The next Movie Night will be held on Friday 11th May, details later in this newsletter.

This term's Bags2School was a record breaker! Everyone's mega cupboard clear out raised a massive £380 - let's see if we can better it on Wednesday 13th June. Dig out those old heavy winter coats and boots!

The Mother's Day Secret Gift Factory was thoroughly enjoyed by all who took part. Lots of thought and love was put into the children's present selection, wrapping and card writing – we do hope you were thrilled with your gift and you got to put your feet up on Mother's Day!

Finally, most recently we had the Easter Egg Hunt - we're not sure what was soggy - the completed maps or the parents! Thanks to everyone braving the rain to take part – we hope the prize at the end was worth it.

The total profit raised in the spring term was a whopping **£1,300**, which will all go back into enhancing the children's school journey at Poulner Juniors.

Poulner Pond Update

The contractors' have had all manners of winter weather thrown at them... snow, rain, more snow, more rain! This has meant it has taken longer to complete however they are nearly there now!

The PTA secured a generous grant of £3,000 from our Hampshire County Councillor Michael Thierry for this exciting project, and we plan to invite him to be part of the Grand Opening!

If any parent, carers or grandparents are keen pond or wildlife enthusiasts, please encourage them to get in touch with Mrs Walker via the school office.

The PTA

Lights, Camera, ACTION!

A HUGE thank you to those that made the first PJS Movie night such a great success!

The school hall was transformed into an auditorium that rivalled the new BH2 complex and the kids arrived – Parent free! - bubbling with excitement for the night ahead. Seats were chosen, friends huddled and then they hit the Tuck Shop – on an epic scale.... The free popcorn and squash aside, the kids LOVED spending their pocket money and choosing just the right type of Haribo pack to see them through the night. The entire selection of drinks, crisps and sweets sold out in a flash!

And then the main event began...

All age groups loved the comedy and silliness of Night in the Museum 3 and unbelievably the 90 or so children present sat through the whole movie with only 1 short break?! Amazing.

Thank you to the Teachers that helped to keep the calm when the movie was not on, the Dads club helpers for braving the Tuck Shop Rampage and the PTA team for coordinating & manning such a fab event – A whopping £276 profit was made on the night, all of which is channelled back into the School. We will be doing this again on Friday 11th May!

STIKINS Name Labels

STIKINS

The PTA are excited to announce that we have teamed up with Label Planet to offer parents quality labels for your children's school uniform, whilst earning the school commission at the same time! This money can then be used to continue to help purchase some of the fantastic resources that benefit our children's learning.

Lost property is a problem in all schools and we are all familiar with our child, at some point, coming home from school with a missing item. These labels are a great idea as they simply stick onto clothing wash labels.

They can even be used in shoes, on lunchboxes and water bottles!

How it works:

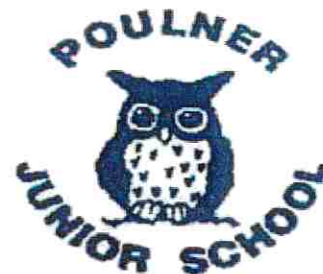

Each order placed quoting the school reference number 16089 will provide the school with 30% commission. You can use the link on our school website under Parents/PTA page or use this link <https://www.stikins.co.uk/?NAME-LABELS=16089> to order. Make sure the order quotes our unique reference number **16089**!

A note from Dad's Club

Gaming & Karaoke Event

The Dads Club held its first event on Sunday 4th February - The Gaming Event - we set up around twenty games consoles and Karaoke in the school hall and the Library. The PTA supported us by setting up a Cafe for the children and adults to enjoy refreshments.

We were delighted by the turnout, we had around 90 children plus adults come along, and everyone had a great time. We received lots of comments from the parents, all very positive, and apparently the school was buzzing about how successful it was the following morning!

In total we raised just over £260 and we collected Lego for the school Lego club.

The majority of the profit raised has been out to good use repairing the dilapidated lunchtime benches in the school courtyard.

Future Dads Club Events

We are in the process of planning an Orienteering event for the children, which will take place on **Sunday 20th May at 12.30pm at Avon Heath.**

The event will be open to all year groups, it will start with some orienteering, which will last for approximately an hour or so and the event will end with a picnic - all will be welcome. We will send out further details as soon as possible.
