- 28.11.25 (Friday) Movie night 6-8pm, £2 entry fee to include a drink and bag of sweets.

INSET DAYS 2025-26

13th February, 1st June

Letters sent out this fortnight:

- *School Photographs– deadline 21.11.25*
- *Children In need*
- *Firework Night Help*

Dear parent, carers

We have had a very busy two weeks since returning back from half term. Our INSET day was used to support staff with their own thinking on how we adapt learning to support all children, this is an important next step into taking the quality of learning to a very high level. Visiting classrooms show the quality and depth of learning that is taking place in classrooms throughout the school.

Our new SENDCo, Ms Morris has been reaching out to parents, whose children have EHCPs, so that she can meet with them to ensure that she is working with families quickly and effectively. If you have not yet made an appointment, then please do so, as we are here to help and ensure we do our very best. After Christmas Ms Morris will widen this opportunity for parents who have children accessing SEND support, so please look out for these!

I want to congratulate Year 4 pupils. This week they attended their residential at Hooke Court in Bridport, where they were immersed into Viking life! The children were absolutely fantastic and it was lovely to see them throw themselves into the activities and support each other away from home.

This week we have been recognising antibullying week. The week started with a whole school live lesson assembly with me, looking at how children can support each other and have the courage to do the right thing. Throughout the week the children have looked at pledges in their classes and yesterday our House Captains met their Houses and delivered their own anti-bullying messages and presentation. We are very proud of our House Captains for taking on this role and being excellent role models.

Today has been Children In Need and I want to thank our school councillors for organising another super event. These are so important in helping children to be proactive citizens and realising that children in our country need support from us all. The children have also had great fun throughout the day. We raised an incredible £445 today for Children in Need, thank you all. I want to also thank children for donating to poppies and for undertaking the 2 minute silence with thoughtfulness. The amount raised was £33.79.

Now, for some very important news, after 35 years Mrs Fiona Charter has made the decision to retire and she will leave school at the end of this Autumn term. I don't really know where to start with unpicking the impact and dedication of Mrs Charter, but we will do our very best to give her a send off that will recognise how much she is loved. I know that there are many families who have had the privilege of Mrs Charter teaching several generations. It is really quite something to teach so many pupils in one community. I am sure you will join with me and ensuring that she knows how much we think of her.

Heart Learning Awards

Congratulations to the following children:

Year 3:- Tara, Evie

Year 4:- Jessica T, Jamie P

Year 5:- Armani, Nia and Rowan

Year 6:- Oliver and Alfie

Poulner Remembers

This week we have taken time to recognise the importance of Remembrance. Children have had the opportunity to wear a poppy and donate and each child has made their own poppy which has been joined to create a wreath for each class door.

The children have recognised the 2 minute silence and an assembly was led by Mrs Beausmans, our History subject leader. Children have also watched parts of the BBC remembrance service during their lunchtime.

In classes children have had opportunity to discuss the importance of remembering and we are very proud of children from our school who took part in parades that marked the event.

Thank you for your amazing support at Fireworks

We want to thank so many of you for coming out and supporting the Fireworks event, the numbers that attended were staggering and we hope you all had a fabulous time. Next year will be our 25th year and we cannot wait to celebrate in style! We would like to thank the companies that sponsored us and to Nick Bevan from Hive estate agents for running the bar and to our incredibly dedicated Parent groups– Friends of Poulner and Dads club, without these groups, this event would just not be able to take place. Rosie and Claire, we salute you for your epic effort! We would like to also thank Mr Lawrence for his fantastic overview of the event and logistics and school staff as wonderful gate and field marshals.

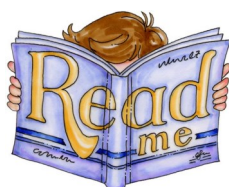

Don't forget the school meal deal offer! Sign your child up for hot school dinners all week for just £12! Normal cost for each meal is £3, so really we are giving you a day free each week!
