Letters sent out this fortnight:

Dear parent, carers

We have had a jammed packed two weeks for sure!

A huge well done to Year 5 on their fantastic attitude and behaviours during their Year 5 residential last week. They trekked 10 kilometres across the New Forest taking in the wildlife and also learning and spotting some of the WW2 look outs and firing points. I was really impressed with their resilience, teamwork and can do attitude. They also learnt how to put up their tents and look after their friends during the evening and night, all of which are important life skills. My thanks to the team of parents who volunteered their day. The children and staff loved your company!

Monday was an important day and we wished our Year 6's well as they moved up to secondary school for the day. This is always a big day for them as it really is the beginning of the next part of their journey. Back in school we welcomed in our new Year 3's and moved all the children up to their new year groups and teachers. This was such a positive day and I am excited to see how the year will begin in September.

This week we have managed to hold our annual Sports Day! Last date was called off due to rain, but it certainly didn't rain on Tuesday! Thank you to parents for supporting our event and for making sure your child had everything they needed. The children tried so hard and really went out and gave it their all. Congratulations to every child who went out there and competed hard for their team. And congratulations to the winning team of Lisle! My thanks to dads Club for helping to sort the speaker system, to Friends of Poulner Junior School for manning the much needed refreshments and to Ringwood School Young Leaders for their superb help during the day. Many of them were ex PJS pupils and it was lovely to see them back.

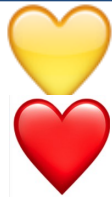

This coming week we have the evening shows of our Musical Theatre production of Aladdin. This has been a brand new venture this year, making the musical show much more inclusive of all year groups. The children have committed time each week in the afterschool club and out of school learning lines and songs. I want to wish the cast all the luck in the world and I am excited to see it next week. I want to thank Mr Relf and Miss Bolton for their fantastic work over the year.

I mentioned this at sports day, but wanted to flag it with you all, in just a few weeks we will be wishing Mrs Meany all the best as she hangs up her phonics apron for the last time. Mrs Meany has worked at the school for 26 years, which is quite some innings! If you would like to wish Mrs Meany well then please do get in touch, 26 years needs to be celebrated in style, and we cannot wait to hear how she spends her retired time, probably a lot of walking and travelling!

Have a lovely weekend!
