Dear parent, carers

I hope you all managed to have a lovely half term, I know for some of you that you are also juggling work and family time and this is never easy!

Prior to half term, the weather held and we were able to hold our Summer Fayre. I want to thank you all for coming and supporting the event and getting involved in all the stalls. It was lovely to have entertainment on stage with karate, Shake Dance and Lewis Simon. All three have strong links with the school and we are so grateful for their time. Karate and Shake Dance run classes from the school during the weekday evenings, so please do ask if you would like further details. My thanks to Friends of Poulner Junior School, Dad's Club and Mrs Cason for her direction and overall organisation!

The week before half term we welcomed the Spanish students, this was a real pleasure and lovely to see them interacting with PJS children. They learnt more about Southampton and the British schooling and our pupils were able to find out more about Spanish language and schools.

Our sports teams were also out in action, with 2 teams of cricketers performing very well at Beaulieu cricket club as parts of the school sports competition. One of our teams managed to come first in their group, what always impresses me though is just how well our children support and show excellent sportsmanship.

We have also had another Bags2School collection, which has raised a further £258. Mrs Cason and I are looking at new equipment to purchase so that we can make sure that the money raised goes back into opportunities and resources for the children.

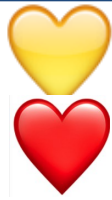

Unfortunately we have had to postpone Sports Day due to the weather, but I am sure you will agree it was the right call with the relentless rain yesterday. The new date for sports day is Tuesday 1st July. This date will fit in around the up and coming Year 3 and Year 5 camps.

This coming Tuesday is our Open afternoon, another wonderful opportunity for you to come into school to see your child in class. Please arrive for 1pm and the afternoon will run until 2.45pm. Once again, just to remind you that this event is not suitable for young children to attend with you. During the afternoon, we also have a very exciting announcement with regards to school dinners, so save some space for some refreshments!

Have a lovely weekend!
