INSET DAYS 2026-27

**1st & 2nd Sept,
23rd Oct, 22nd Feb, 7th June**

Letters sent out this fortnight:

- *Community volunteering*
- *Car Wash*
- *School Photographs*

Dear parent, carers

A huge thank you to everyone who was able to attend our Summer Fayre just before half term, I am very pleased we picked that date as it was very much in the warm spell and it was really lovely to see the atmosphere of everyone having a great time. My thanks to the choir and to Shake Dance for the centre stage entertainment. It was an amazing team effort and my thanks to Mrs Cason for leading the organisation of the day and for the PTA and Dads club for making it all happen. Our Year 6 children did a brilliant job in running all the games stalls as well.

Since coming back, we have held our final INSET training day for staff, the day was used to focus on classroom adaptations and to develop our practice of teaching and learning in the classroom. The training was led by Hampshire SEND team and is part of a bigger package of training linked to the development of Resource provision that will begin taking shape in the Autumn term.

This week started with a wonderful evening welcoming the new Year 2 parents. The evening was very well attended and the atmosphere in the room was very positive. The parents were keen to learn more about the school and it was a chance for them to try the delicious school food and to talk with PTA, Dads club, school shop for uniform and a representative for our Governing Body. Over the next few weeks we will be undertaking a full program of transition which involves our current year 3's as role models for them.

Our Year 4's have had a very busy week this week completing their national multiplication check. The results of these will be sent out in a few weeks with their school report. I want to congratulate all of the children on all of their hard work throughout the year, as we know, the better you are at your tables, then the easier maths will be in the future. I feel very proud of them all, as I know that they have done their best.

Yesterday, we had our annual Fathers day secret present factory, the presents looked great, so if you have one coming to you, then I am sure you will love it.

We had hoped to have completed our sports day by now, but the British weather had other ideas! We now have it planned in for Monday and the weather is looking much more positive. Just a reminder, the PTA will be serving refreshments, but any sweets and fizzy drinks should not be given to the school children during the morning, lunch or afternoon. Every year I do have to just remind parents that there are different areas for spectators and children, these areas must be respected and children must stay with us after lunch so that we can make sure we know where they all are and that we can run the afternoon smoothly. We are looking forward to seeing you all. Have a super weekend.

Jo Randall

Heart Learning Awards

Congratulations to the following children:

Year 3:- Amelia-Marie & Oakley

Year 4:- Jessica & Penelope

Year 5:- Bronwen, Lilah & Joey

Year 6:- Thomas R & David

Year 5's incredible visit to Bournemouth Mosque-10th June 2026

This week Year 5 were able to attend the Mosque in

Bournemouth, during the visit they were able to learn about the place of worship and were able to learn from and ask questions. I want to thank parents, carers for giving the children this superb

opportunity and my thanks to Mrs Khan for organising this wonderful trip. The Mosque visit is part of a wider curriculum offer that we give to the children, looking at a range of religions and places of worship.

TRY KARATE THIS JUNE!

3 WEEK KARATE TASTER PROGRAMME

BEGINNERS WELCOME THROUGHOUT JUNE

- ✓ AGES 5+
- ✓ BEGINNERS WELCOME
- ✓ FAMILY-FRIENDLY CLASSES

House Captains Community project

This week the House Captains launched the volunteering project. The children can take part over the next few weeks and it is to encourage the children to look at how they can help others and gain the feeling of satisfaction of helping others. Please speak with your child and support them to get the courage to offer to help family friends and do something good for them. The House captains are really passionate about this, so we hope that you can help your child to get involved!

Don't forget the **school meal deal offer!** Sign your child up for hot school dinners all week for just £12! Normal cost for each meal is £3, so really we are giving you a day free each week!

Safety on our roads and pavements please

The school have had a number of calls recently asking for parents/carers to be more thoughtful with parking and driving around the school entrances. Cars are being parked in spaces that are not safe and do not allow traffic and pedestrians to continue safely. Please park further away and walk, we do not want any accidents for anyone. Thank you

No Outsiders focus...

This week we have been recognising the importance of **Community responsibility**.
