### INSET DAYS 2025-26

1st June

### Letters sent out this fortnight:

- *Summer Fayre*
- *Sailing Course*

Dear parent, carers

These last few weeks has seen some busy times for Year 6, they have completed Bikeability and through this they have developed some important life skills in learning about the road and how to keep safe on their bikes. Especially with Year 6 moving up to secondary school soon, we know that they will be out and about more often, so keeping safe and being independent is key.

Year 6 are also in their final stages of their SATs preparation and they are getting ready for their tests next week. I want to thank the children for their amazing effort over the last four years. This journey is not just about Year 6, it is about their whole journey with us from Year 3. They have shown such dedication and hard work and I just want them to know that we are already so proud of them. Next week is a chance for them to show off their hard work, they just need to give it their best and know that they have done exactly that. I want to thank all of the team who have been involved in supporting the children, particularly Year 6 and teachers involved in boosters. I know that the children have definitely enjoyed the biscuits and squash that go with the sessions!

Over the last few weeks we have seen Years 3,4 and 5 sail at Spinnaker Lakes. This has been a fantastic opportunity for the children. We know that for many they are facing a number of challenges including fears of something new, fear of water and fear of being in control without an adult right by their side. What we have seen though, is great courage to overcome their fears, great teamwork and real enjoyment of the experience and their success. It has also been great to see Year 5 sail with more confidence since their previous go in Year 3. Our thanks to the team at Spinnaker and to Mrs Smith for organising this opportunity and being on hand to help them during the sessions.

Clubs have started this week and our thanks to parents for signing up quickly. Please ensure that your child knows which clubs they are attending and remember to let us know in advance if your child is not able to attend.

Today we have celebrated Sir David Attenborough's 100th Birthday and this has been a lovely opportunity to look at his messages and the important work that he has undertaken. Our thanks to parents/carers who have supported their child to join in with our catered birthday menu. Today was also our collection for the Summer Fayre, again thank you for supporting this. The Summer Fayre is in just 3 weeks so we are gearing up to be ready and to booking good weather. Please keep the evening free on Friday 22nd May and we can wait to entertain you with stalls, entertainment and food. Raffle tickets have also come out to you and the prizes this year are fantastic, so well worth buying some! Have a lovely weekend.

**Jo Randall**

## Heart Learning Awards

Congratulations to the following children:

Year 3:- Hugo, Nathan, Gracie, Freya

Year 4:- Reggie, Eileena, Owen, Rowan

Year 5:- Joey, Isabella, Katie-Mai, Ethan,
